Dear Alex -

It was with much interest that I discovered you and your wife (Glennis, I believe) will be attending some of the events of the Farguhar Family Reunion. I believe that you & I ~~discussed~~ discussed the Farguhar clan a few years ago and I told you about these reunions every five years. I, by the way, am Katherine Becker's childhood friend - Peggy (O'Neil) Hutchinson, and my mother-in-law is Shirley (Farguhar) Sawyer's sister.

I met you a number of years ago when I was visiting Katherine and Bryan when you were all living in London. I still remember the wonderful church service I attended one Thanksgiving Sunday. The music was magnificent - and there was a "trumpeter" and that was absolutely glorious. The entire service was lovely and I was thrilled to be there.

I understand you will conduct a family service for us and I look forward to that, to seeing you again, and to meeting your wife.

Yours truly,
Peggy Hutchinson
