Dear Sir:-

On behalf of the Farquhar Family, I wish to welcome you to a very familiar church, Zion United Church, Liverpool, Queens Co., Nova Scotia.

There are so many times I have heard the name "Rev. Alex" -- from my youngest brother, Clyde; the Farquhar genealogist, Malcolm MacDonald; recently, while doing family research about the Reverend DONALD MacKAY FARQUHAR, his brother, JAMES ANDREW FARQUHAR, who also started in the Methodist ministry. The latest one has been their nephew, JOHN JOHNSON (J.J.) FARQUHAR, a lay minister of the United Church of Canada. It has all been very interesting and I feel I am almost at the end of the James Andrew family, plus the Samuel J. family.

Liverpool is a beautiful town, we enjoy visiting there every summer, but our own family is up here in Brampton.

I have one brother, Eugene living in Liverpool, 124 Union Street. The others are in Halifax (Clyde) and Dartmouth (Donald and Ronald).

As you possibly have guessed, I work on family histories, often there is a connecting link with our own, many are sent to me as people know I do this as a hobby, not for research money.

Should you have family records you would share, I would be most appreciative of receiving same, will return or otherwise pay for copying and postage.

In the meantime, enclosed are two favorite pictures of mine: The newspaper clipping is of my brother CLYDE R. FARQUHAR. The other one, slightly spotted from age and mildew, is of the Reverend Donald MacKay Farquhar, died 1921, but both born in Summerville Centre, NS. If you would like it, I'll be happy to send a copy of Donald's illustrious ministerial career in the Methodist Church, as obtained from various United Church of Canada archives.

Again, welcome to Liverpool -- it is very nice to see your name in the church listings.

Sincerely,

Muriel

Muriel M. (Farquhar) Davidson
