

Dear Eve -

Here is The photocopy of The letter from Squire Jarguhar in 1915, when he sent The 2 bullets from the Rardiburg Battlefield of The Boer War - getting on to 100 years ago!

It's always nice seeing you at the North British. We rarely visit anyone in Halifax, our few trips there are so

packed with jobs to do & we dash back home as fast as we can!

Reports are That Florence & Bridget are well & enjoying Their retirement home. All meals are provided which pleases Florence! Bill says he is bringing them to town for Christmas. We'll be at Don's. Looking to seeing you soon. Our best wishes for a Merry Christmas & Happy New Year — Alump & Jessie

My Dear Sir

I am enclosing a Rifle Cartridge that was taken  
on the Battlefield of Gettysburg. on the day of George's  
Capitulation - a friend of mine sent me a few. If you  
have any particular friend who would wish to possess  
one. I can let you have another - a

"Winning" man of course

Yours truly
